Responsible Person:			Title		
(Circle One) Primarily <u>Residential</u> or <u>Commercial</u> Abatement [this is for public informational purposes only]					
2. Other Information:					
Are you presently permitted, licensed, certified or registered in the lead abatement field with another state?				Yes	<input type="checkbox"/>
				No	<input type="checkbox"/>
If Yes, State:			Number:		
If Yes, State:			Number:		

3. License Requirements for Contractors

Please provide the following:

- A. Listing of names of the applicant's principals or officers, and any persons with a controlling interest in the business.

- B. List of any lead citations or notice of violation(s) in the past year.
- C. Other lead abatement companies owned by applicant or officers.
- D. A list of all names and acronyms by which the applicant's firm is known or under which it does or has done business.
- E. Signed statement attesting that the firm shall employ only duly certified employees to conduct lead-based paint activities, and that the firm and its employees will follow the work practice standards in section 6 of this chapter.

4. Qualified Project Supervisors:

No on-site work for any lead abatement project shall be conducted unless at least one Maine certified lead abatement project supervisor is physically present on the job site.

Please provide the names and certification numbers of current project supervisors employed by the applicant.

Name:	Number:

5. State and Federal Regulations

- A. Lead abatement contractors and abatement personnel must be knowledgeable about and comply with all applicable Occupational Health and Safety regulations of the Maine Bureau of Labor Standards, Federal Occupational Safety and Health Administration regulations, the Maine Department of Environmental Protection and the U.S. Department of Transportation. Please provide a statement.
- B. Please provide evidence of familiarity with the applicable rules. Also, please provide an up-to-date written worker protection program (Respiratory Protection 29 CFR 1910.134, Lead in Construction 29 CFR 1926.62).

6. Record Keeping Requirements

A statement must be submitted affirming that the Lead Abatement Contractor maintains the following documents at the abatement work site throughout the duration of such activity, and would make the documents immediately available to the Department upon request:

- * A current copy of the rules, Chapter 424 "Lead Management Regulations";
- * A copy of the on-going lead abatement project design;
- * Records of all project documentation.
- * Other documentation relevant to project.
- * A listing of all employees, by name, social security number and Department certification number, who are assigned to the on-going project;
- * A listing of each of the subcontractors involved in the on-going project;
- * A Department certification card for each employee involved in the ongoing project;
- * A daily sign-in/out log clearly identifying each employee involved in the on-going project by name and Department certification number, identifying the length of time each spent at the project location;
- * A copy of the notification of the project provided to the Department.

7. Application and License Fees:

The application must include a non-refundable cashiers, certified or company check in the amount of **\$275.00** made payable to the **Maine Environmental Protection Fund**.

8. Signature:

I CERTIFY UNDER PENALTY OF LAW THAT I HAVE PERSONALLY EXAMINED THE INFORMATION SUBMITTED IN THIS DOCUMENT AND ALL ATTACHMENTS THERETO AND THAT, BASED ON MY INQUIRY OF THOSE INDIVIDUALS IMMEDIATELY RESPONSIBLE FOR OBTAINING THE INFORMATION, I BELIEVE THE INFORMATION IS TRUE, ACCURATE, AND COMPLETE. I AM AWARE THERE ARE SIGNIFICANT PENALTIES FOR SUBMITTING FALSE INFORMATION, INCLUDING THE POSSIBILITY OF FINE AND IMPRISONMENT.
